NEW SHELTER UPDATE

Are You Ready for the

BEST NEWS EVER?

We are Targeting Home for the Holidays in 2017!!

All of us have been beyond anxious to move the animals to their new home and into a quality shelter that will serve the community and the homeless animals in our area for many years to come. Well, that time is on the very near horizon and is in the making for this year's holiday season. Yes!

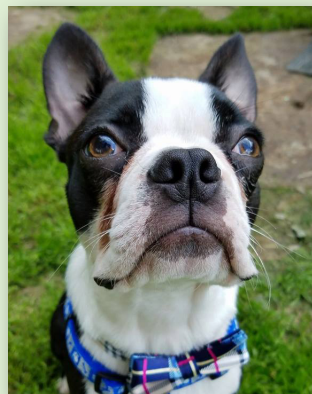

The interior finish-out of the new shelter (Final Construction Phase) started in May 2017 and is anticipated to last through the end of October. We are targeting November 2017 as our moving month, and we are projecting to have the animals (and our staff) in the new shelter just in time for the holidays.

There is still money needed to complete the construction of the new shelter and the capital campaign as a whole. We are planning to bridge the new shelter construction gap of \$100,000 with financing while we continue to work to raise remaining funds through the community portion of our campaign. Please stay tuned, as we will be introducing commemorative naming opportunities for smaller gifts and additional community fundraising initiatives very soon. Moreover, we encourage you to reach out to Vicki Mosgrove, Executive Director at 607-622-5363 if you think you may have an interest in a larger naming opportunity. While some of these special room recognitions are still available, they are quickly being reserved.

We have reached ~80% (~2.1 million) of our overall River's Edge Campaign goal of 2.6 million dollars. In addition to the ~\$100,000 needed to complete the final phase of new shelter construction, funds for certain furnishings, mortgage payoff and our endowment are still needed to complete the campaign. (continued)

Adopted Puppies from the January I-86 Accident Rescue

Big Papi

Chance

Lilly

Zeus

They are well-loved by their families and are growing up!
All attended "free" puppy training and socialization classes offered
at our River's Edge Farm location by Connie Terry.

Shelter Update (continued)

We are humbled, inspired and immensely grateful for all the support of this critical project from our community and beyond!

During the first 1/2 of this year, we had a big boost in giving to help us reach the 80%. Increased publicity about the shelter nearing completion, a matching grant opportunity from the Marion E. Cantwell Trust and the support of our community to meet the match, and additional and outstanding volunteer support to assist with naming opportunities solicitations all helped give us a big lift and major momentum in campaign progress. The overall spirit of charity and compassion from friends of the shelter and supporters continued, including the significant kindness of a donor who recently gave a \$100,000 pledge! We are humbled, inspired and immensely grateful for all the support of this critical project from our community and beyond! Gifts, both large and small, volunteer dedication and time, community collaboration and so many people working closely together are leading us down the successful path to nearing the culmination of this essential campaign.

Earlier this year, we also responded to two large-scale emergency animal rescues. In January, we aided over 104 puppies (with the assistance of Bath Veterinary Hospital) when the box van that was carrying them to pet stores overturned on I-86. Fortunately, all pups survived, and the few who had serious injuries were able to be nursed back to health. Additionally, in March, we assisted 64 cats who were faced with nowhere else to turn when their home was in the process of being condemned because of hazardous conditions. While we were able to successfully perform these rescue operations with our existing shelter and networks, it was monumentally difficult from a facilities standpoint. These emergencies alone, notwithstanding the day-to-day need for the lifesaving work of FLSPCA to rescue, rehabilitate and re-home abused, orphaned and unwanted animals, highlight the critical need for the new shelter.

There is still more work to do, but this is amazing progress to share, appreciate and celebrate. Thank you, to each and every one of you who help support our Mission of animal protection and strengthening the human-companion animal bond.

Vicki S. Mosgrove, Executive Director

Planned Giving

Whether you have a million dollar estate or a more modest one, you need an estate plan. A good estate plan provides for your loved ones, minimizes tax liabilities and provides "Planned Gifts" of your assets to support your favorite charities. Many planned giving opportunities exist to suit almost any circumstance. As you consider the final disposition of your assets, please remember all of your friends at the Finger Lakes SPCA.

VOLUNTEER SPOTLIGHT

Dorothy Conrad

Dorothy Conrad was raised in Hammondspport with three brothers, five sisters and assorted cats and dogs. She graduated from high school there and then went on to take various accounting and business courses at the college level. Dorothy worked for 43 years as the general productions operator at Westinghouse/Philips in Bath. She retired in 2007. In addition to her work, she was very active in the local 4-H program.

Dorothy was married to husband Robert in 1966, and together they settled in Bath and raised two daughters, Susan and Ann. Her youngest was fearful of animals in general, so the family adopted a dog from the shelter to help her become more trusting and comfortable around animals.

Presently Dorothy and her husband have 2 pet cats. Muffin showed up at her door one fall and Midnight a year later in early summer. So actually she did not adopt them - they adopted her.

Dorothy's hobbies include sewing, reading, and baking. She enjoys listening to country music and occasionally attends music concerts. She also likes to travel and lights up when she talks about her many cruises and trips. They have included Nassau, Hawaii, Universal Studios, Alaska and Las Vegas. She also has a penchant for collecting memorabilia. The subject that peaks her interest is wolves. Her collection includes figurines, lamps, ceramic plates and even clothing designed with the wolf motif.

As well as volunteering at the FLSPCA for the past 8 years, Dorothy also volunteers at the Ira Davenport Hospital Gift Shop one day a week. Due to her responsible nature, ability to work well with others and her generosity with her time, we have been able to put Dorothy to work on a wide variety of assignments. Each week she spends Fridays working at the FLSPCA Gift Shop, arranging and selling merchandise.

Throughout the years, the events she has participated in have included Paws and Pairings, Corral for Cash, Hammondspport Christmas in the Park, yard sales, fundraisers, the Bath Fair, and the Woofstock Music Festival. She has also made items to be sold or raffled to generate money for animal care. Last fall, she sewed two lap quilts to be raffled during the holiday season. She also created new valances for one of the offices at our Cameron Street location.

When asked about any experience she has had at the shelter that made her feel good, Dorothy told me about a girl in her 20's who stopped by the gift shop one day. The girl spoke of her grandmother's passing and leaving behind her most treasured possession - her pet dog. At the time, the young lady had very little money to care for this dog and needed some assistance. The FLSPCA provided her with food to help her continue to look after the dog, which was a great help and relief to her. She knew her continuing to watch over the dog would allow her grandmother to rest in peace.

If Dorothy could speak to you directly, she would give two pieces of advice. First, don't hesitate to volunteer with us because there are all kinds of jobs suited to your talents. Second, please spay and neuter your pets. The fewer animals there are, the better care we can give them.

Our organization wants to thank Dorothy for her many years of service. She is a hardworking, loyal and kind person. She is a pleasure to work with and has made a significant impact through her inspiring dedication.

A HAPPY TAIL...

Miko

Shortly after we lost one of our beloved bulldogs, we decided to foster this handsome fella. We all fell in love with him immediately, even his new sister, Lucey. Some may remember Lucey from the Corral for Cash fundraiser the last 2 years. She's the bulldog with the cart. Miko was very shy and timid when he first came home with me. He seemed unsure of us. We have given him the time and space he needed to adjust to his new home. He craves affection now. We have now adopted Miko. He fits right in to our crazy family. He loves to play tug-of-war! He has a new friend that comes to see him and play with him a couple of times a week. She is a younger Rottweiler and has the energy to play with him so he can just have fun! Thanks so much to the FLSPCA for pairing us with this wonderful boy!

Coleen Sprague

A HAPPY TAIL...

Dusty (aka Mr. Meowgi)

Dear Kayla,

I'm so happy I adopted Mr. Meowgi, now known as Dusty, from the FLSPCA shelter back in January. He's a very good and loving cat. He doesn't bother with anything in my house and loves to be held, rubbing his face against mine with his purr motor going. He loves playing with his many toys during the night, which is okay, because he's upstairs and my bedroom is downstairs. I just love him so much! He makes my life complete. Also, I adopted a mini black & tan dachshund named Gracie almost 4 years ago and she's very good and loving, too. Thank you to Vicki and all of her staff for the hard work they do caring for all of the animals at the shelter, keeping them happy, healthy, and safe.

Janet Gressel, FLSPCA Volunteer

Treasurer's Report 2016 Michael W. Hopkins

This year saw the treasurer's duties pass from Lorraine Manelis to Michael Hopkins. Thank you, Lorraine, for your years of hard work in this position! We received a clean review of our books from 2015 from Wheat & Fitzpatrick. We came into 2016 with significant accounts payable carrying over into the new year. By the end of 2016, we had significantly reduced the gap in our operating budget. Nevertheless, the shortfall this year was still around \$40,000. We can carry that amount because of reserve funds, but those funds will not last forever. The Board of Directors and the executive director are working hard at increasing operating revenue, while at the same time raising money in a last push to finish the new shelter. Please note in the expenses graph that this includes time spent by the staff in raising money for the new shelter, money which does not appear in the income graph.

What accounts for our shortfall? There are several factors. For the past three years we have absorbed a mandatory minimum wage increase (something that will continue over the next few years). We are also paying insurance, utilities and maintenance on a building (the current shelter) that we hope soon to leave behind. The new shelter may be empty, but a certain temperature, lighting and insurance must be maintained to protect our investment. Moreover, in recent years, we have been called upon and have provided sheltering care, outreach and program assistance for an ever increasing number of animals who were victims of animal cruelty, at risk for cruelty or who simply needed care and had nowhere else to turn. Note from the following chart how much of our operating budget is funded by individuals such as yourself!

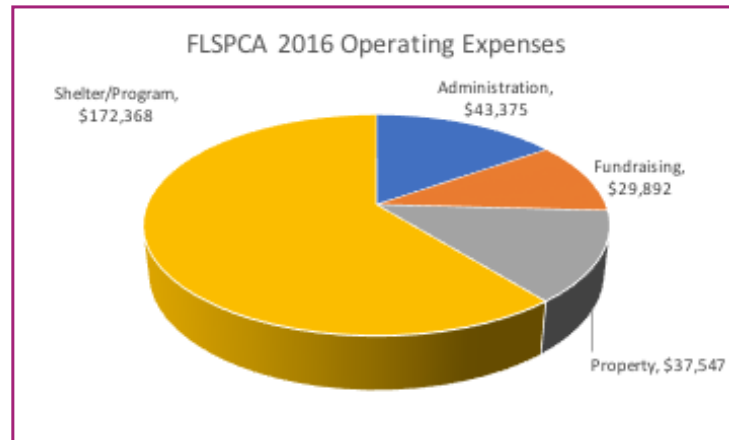

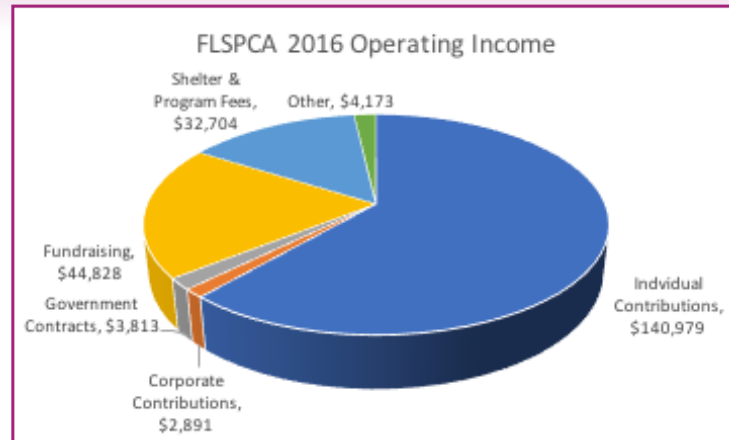

Katie's Fund received \$8,688 in contributions last year, and \$5,701 was used for animals requiring specialized treatment. The remainder was added to the fund, which at year's end stood at \$6,794.

The Capital Fund received \$356,704 in contributions last year. There were expenses of \$60,226. At year's end the fund contained \$357,184. 2016 expenses included a final payment on work previously done, continued payment of the River's Edge mortgage, and the final paving of the new shelter entrance and parking.

Katie's Fund

Since the start of this critical fund, and because of ongoing donations in support of it, over \$18,000 in medical care and other services have been provided to these special needs animals. As a result, more lives of significantly injured and/or ill animals have been saved, and overall adoptability for these animals increased, thereby reducing the length of stay at our shelter for them.

**ANOTHER SPECIAL NEEDS
ANIMAL RECEIVES CARE THANKS
TO KATIE'S FUND!**

Endearing Miko was admitted to the FLSPCA as his person's home was going to be condemned, and because she had too many animals to be able to provide them all with proper care. Miko, an older fellow, needed and had surgery to remove a large mass from his leg. He also needed (and had) surgery to correct his eyelid from rolling inward which was causing his eyelashes to scratch his cornea and causing pain. While he recovered well from those surgeries, he was also diagnosed with thyroid disease and dry eye. He needed to take ongoing medication. Both of his surgeries, and the additional diagnostics and treatment for these conditions while at our shelter, were all made possible by Katie's Fund. As a result of all this care, Miko became happier and healthier and thus more adoptable. He was ultimately placed with a foster family to provide him with lots of TLC and to give him a respite from shelter life. The family was the perfect fit for Miko, and they have decided they would keep him FOREVER as part of their family.
