Grand Opening THE NEW SHELTER

Saturday, June 16th, 2018

10:00 a.m. - 4:00 p.m.

*Building Naming and Recognitions, Ribbon Cutting,
Live Music, Refreshments & More!*

The reason we do what we do is because we believe our innocent animal friends need and deserve protection and good care and because we recognize the extreme importance and specialness of the human-companion animal bond. The new shelter reflects our organization's values and will help us to better achieve our mission. We are so grateful we live in a community which shares and supports these same values.

We are so excited to invite the community to come in and visit the animals in their new home during our Grand Opening of the new shelter on Saturday, June 16th. Due to the astonishing generosity of the community, we are nearing 90% of our original capital campaign goal of \$2.6 million. These monies were raised primarily via large individual gifts for naming opportunities, grant and foundation funding, and *Willy of the Crooked Lake* book donations. We are so grateful for every single gift and the extraordinary support we have received from everyone to date.

At this time, we are continuing our River's Edge Community Campaign and invite anyone who has yet to give (or anyone who has given, but would like to provide additional assistance) to join us in giving as we draw ever nearer the completion of this vital project. While the interior of the new building is primarily finished, we still very much need our community's support. We cannot stress this enough.

We still need to complete the remaining balance of our campaign goal to cover paying off the property mortgage and to replenish the endowment. Additionally, we incurred some additional expense to move and reset fencing and for expanded fencing installation. We also are planning concrete pads and overhead cover for our outside dog exercise areas. These expenditures were not fully integrated into the initial capital campaign goal. While we made use of some of our existing fencing, expanded fencing was needed for the optimized well-being of our canine friends. (continued)

PAWS & PAIRINGS

or contact jeff@fingerlakesspca.org

(607) 622-5363

Grand Opening (continued)

You can still be a part of this historic event and the successful completion of the campaign to ensure we are in a position to best provide for our community's homeless, abused and neglected animals. Special recognition opportunities are still available for gifts of varying sizes (please read to the end of this article for details). Please remember, any gift, large or small, will bring us closer to achieving 100% of this critical goal!

It is important to keep in mind that we are asking everyone to give to both the fund to finish exterior work to the shelter, pay off our mortgage and to replenish the endowment (Building Project); *and the fund* for daily operations of the animal shelter (Operations). We need to maintain existing funding levels day-to-day, so the care of the animals and shelter operations are not impacted.

So, if you already give to support the operations of the shelter, we are asking you to continue your support at least at the same level. And, we are respectfully asking you to consider an additional gift to support the capital campaign/building project. If you are a new donor, we are asking you to do a split gift or two gifts designating part for the new building fund and part for shelter operations.

Again, any gift, large or small, will bring us closer to achieving 100% of this critical goal!

Our gratitude is beyond measure to everyone in the community who supported, volunteered and/or contributed in any way toward making this significant achievement possible.

Appreciatively,
Vicki S. Mosgrove

RIVER'S EDGE COMMUNITY CAMPAIGN RECOGNITIONS:

All gifts of \$100 to \$499 designated for the building project:

Donor will receive a special and artistic commemorative card. This recognition would make a great gift for an animal lover and will denote the gift's lasting impact for our homeless animal friends and community.

All gifts of \$500 or more designated for the building project:

Gifts will be recognized on a highly visible donor board in the lobby of the new building.

Gifts designated for the new shelter campaign may be spread over three years simply by filling out a pledge card!

ADDITIONAL NAMING RECOGNITIONS

We still have some special naming opportunities inside and outside of the building. If you are interested in any naming opportunities, please contact Vicki Mosgrove @ 607-622-5363 for more information and to check availability.

HOW TO GIVE:

1. Mail a check(s) with your designations to Finger Lakes SPCA, P.O. Box 567, Bath, NY 14810.
2. Visit fingerlakesspca.org and click on the Network for Good or PayPal Icon to give online gifts and be sure to include your designations.
3. Visit our 72 Cameron Street, Bath, location during our regular business hours (11 a.m. to 4 p.m. except Thursdays and Sundays closed) to drop off your gift(s).
4. For all naming opportunities, please call Vicki Mosgrove @ 607-622-5363 to check for availability, for more information and to obtain pledge cards. Remember if you are considering a larger gift, it may be spread over three years by simply filling out a pledge card.

VOLUNTEER SPOTLIGHT

Craig German

Craig German was born in Binghamton and raised in Horseheads, New York. He grew up with his mom and dad, a sister, a half-sister and half-brother. After graduation from Horseheads High School, he enlisted in the U.S. Army in the field of Specialty Field Artillery. His first 2 years of service were spent in Baumholder, Germany, and his last two years were spent in Caran, Colorado. When he returned home to Horseheads Craig worked as a machinist for 30 years. After retiring he moved to Bath where he currently resides.

Last year Craig adopted a chocolate lab from a rescue. Her name is Pippa, and she spends all her time with Craig - walking, playing in the river, watching TV and doing chores at the FLSPCA. When helping with the acres and acres of lawn mowing, she prefers the riding mower to the push models.

Craig has many interests and hobbies including supporting the Miami Dolphins, the New York Yankees and Syracuse University football and basketball teams. He likes to read, bike, fish, camp and listen to classic rock music. When he is not volunteering at the FLSPCA, Craig volunteers each week at the Veteran's Administration working with inpatients.

Craig has been with us for 2 years this spring. His schedule ranges between 3-5 days a week depending on what he is called upon to do. His assignments are diverse, and he has the willingness and skill sets to do whatever is asked of him. Some of the jobs Craig does routinely are carpentry repairs, groundskeeping, gardening, garbage and recycling management, training and overseeing other volunteers, upkeep on grounds and barns, care of on-site animals and machinery repairs.

He has also made significant contributions in preparing for the opening of our new building. They comprise helping to put in 3 acres of new lawn behind the new facility to be used for the dog play runs, landscaping the front entry yard, putting together new equipment

STARFIRE

*Dreaming
of a
Forever Home!*

for use in the new building, and moving and cleaning dozens of stainless steel cat cages to be refurbished for the farm location.

He accompanies us on road trips to pick up hay, straw, donations and general supplies; not to mention numerous rides to the landfill with electronics, appliances and metal items for recycling. He has a very responsible nature mixed with a mature and professional attitude and works well with the public. An event that Craig particularly enjoyed was loading supplies and helping get them delivered to one of our equine foster care locations. He said it was a great experience seeing how a foster care program works and where some of our large animals are being cared for.

Craig's advice to others is to get involved with the SPCA because it feels good to help others out - both the animals in our care and the clients we work with.

**All Proceeds Benefit the
Orphan Animals of the FLSPCA**

WANTED TODAY:
Donations of new or gently used merchandise, including gift certificates, antique and specialty items, quilts, dinnerware, novelties, jewelry, home decor, household goods or collectibles. Please, no clothing, electronics or large furniture. Call 607-622-5363 to arrange for item drop off time and/or possible pick-up.

VOLUNTEER SPOTLIGHT

David Geis

David Geis was raised on a farm in Jasper until he was 12, at which point his family moved to Addison. He lived with his parents; a brother, Pete, and step-brother, Steve. After graduating from Addison High School, Dave enlisted in the U.S. Navy as a nuclear machinist mate. Presently, he lives in Bath and is attending Corning Community College where he is majoring in mechanical engineering. His studies keep him busy, and in addition to school he also has five daughters to raise. His girls are Jazlynn, age 13; Skyla, age 9; Rylee, age 8; Azarianna, age 4; and Davina, age 3.

When I asked what hobbies he has or things he likes to do in his "leisure time" he laughed and said, "What leisure time? I already mentioned that I have five daughters!" When he does find some down time he loves watching his favorite football team, the Buffalo Bills, or working on cars. Other interests include reading technical books and manuals, listening to alternative rock music, taking the girls to the park, picnicking, and camping. He attends all the FLSPCA events with his family and loves to have the girls with him supporting projects that are important in helping animals have better lives.

David has been with us for 2 years this spring. The list of his accomplishments is long and impressive: He does grounds maintenance, mechanical equipment repairs, landscaping, house and barn repairs, set-ups for fundraising events, assists with farm and domestic animal care, makes dump recycle runs, puts in our own barn hay, makes hay and supply runs to foster farms, picks up donations, makes Salvation Army drop-offs, and assists with the feral cat trapping program. Dave is not only very capable, he also has a very pleasant and professional demeanor when dealing with staff, other volunteers and the public.

Two of David's legacy projects are putting in 3 acres of grass lawn behind the new facility to be used for the dogs' play run; and secondly, he planned out, procured materials for and built an amazing 8' x 20' x 10' high wood and wire communal cat condo inside the barn. This structure allows several cats to be free from small cages and interact with each other. The cats have many shelves, ramps and ladders to keep them from being bored and give them the opportunity to get plenty of activity. Dave appropriately named his creation Dave's Cattyshack.

Special kudos to Dave's girls for their general help throughout many projects we have completed, but in particular the days of helping in the blistering sun by picking rocks and spreading grass seed and straw to see to it that the 3 acres of backyard look so beautiful today.

Dave says his most memorable experience at the shelter, besides the Cattyshack, is being able to bring his kids with him to help with activities of such importance. They have the chance to do good things themselves and meet others with similar values.

He says it has been exciting volunteering for us at the time when the new facility project was underway and actually contributing to the process of getting it completed. The new building has a historical value to the people and animals in the community, but for Dave it has a personal one as well.

Craig and Dave are both very special volunteers. They have been relentlessly hardworking and loyal to the FLSPCA for months and months. We could not have accomplished what we have without their efforts. They make a significant difference in the success of our mission every day that they show up to work. Additionally, along the way they add so much extra with their heartwarming personalities, friendship and sense of humor. We are thankful that they showed up on our doorstep and brought Pippa and the girls with them.

Please keep donating your deposit cans and bottles. They are a significant source of income for our shelter. You may drop cans and bottles off any time at our New Shelter location (72 Cameron St. in Bath) or at Dave's Colonial Motors (7426 State Route 54 in Bath). We are also looking for additional drop off locations. If you are able to help, please call 607-622-5363. Monies raised from this fundraising activity directly support the care of our homeless animals.

A HAPPY TAIL...

Martha

I didn't want to keep chatting with you on the phone today, because I know how busy you all are, but I had an interesting report on our puppy! Turns out she is a "working dog". I was so surprised.

I had her out back with me yesterday and I was cleaning out some plants in my raised beds. I was pulling out some corn stalks (smaller than farm field corn), had "Martha" on a long lead line and she just stuck right by me

the whole time, but was sniffing and scratching at whatever. But, when I started yanking out plants she jumped right into the raised bed and started pulling on the bottom of the plant at the roots that I was trying to pull out. She did that for every corn stalk. Then, as I was putting them in a pile, she started dragging those darn things over to the pile after I threw them to the ground!

I was pulling the debris along in a wagon over to the pile along side the woods area, but a few stems had dropped off as I rolled along. She picked up the end of those stems and dragged them along to me. Amazing.

I think she also may have some "pointer" in her setter style background somewhere. 4 times I have seen her stand at attention to look at something outdoors and lift up her left front paw.

She obviously has the cats all herded to their respective areas, as well.

I didn't know I was getting such a "Working Girl", I thought she would be more of a "Foo-Foo" princess dog. She is quite the baby whenever my daughter is around; it is clear she is most attached to her in that way.

She had some trouble adjusting to David, but Vicki suggested that David be the one responsible for feeding her and be sure to walk her as well, and that is much better now.

Thank you for sending such a wonderful addition to our family. We are very much looking forward to including Miley into the "Happy Home".

Mary Moyer

KATIE'S FUND BENEFACTOR & FLSPCA VOLUNTEER
June 28, 1940 - Nov. 25, 2016

Katie's Fund

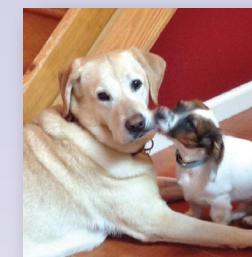

Since the start of this critical fund, and because of ongoing donations in support of it, over \$20,000 in medical care and other services have been provided to these special needs animals. As a result, more lives of significantly injured and/or ill animals have been saved, and overall adoptability for these animals increased, thereby reducing the length of stay at our shelter for them.

PLEASE GIVE TO HELP A CAT OR DOG WITH SPECIAL NEEDS!

ANOTHER SPECIAL NEEDS ANIMAL RECEIVES CARE THANKS TO KATIE'S FUND!

Miley was able to receive necessary diagnostics and medical care for epilepsy while she was at the shelter thanks to Katie's Fund! This care not only improved her health, but also helped her to become more adoptable and find placement in a loving home!

A HAPPY TAIL...

Miley

Miley is doing very well in her new "forever" home. Our family did not have any experience with a dog that had epilepsy before, but Miley has it all figured out and handles taking her medicine twice a day easily. The shelter staff had her well adjusted to being successful living with both her epilepsy and a new family. She is so sweet, follows simple commands, loves to fetch balls, and walks very well with or without a leash. She has been

an excellent companion to Martha, the four month old puppy, also an FLSPCA adoption. Miley is both patient and playful with her. They have turned our house into their own NASCAR track, having a full-out fun time chasing each other around from room to room. Then they settle down into a pile of fur and have a good rest. We are so happy to have Miley as part of our family and I think she is pretty pleased with us as well. Thank you to FLSPCA and especially "Katie's Fund" for getting her healthy, happy and ready for a forever home.
