SERVING STEUBEN COUNTY
AND THE FINGER LAKES REGION

Happy New Year!

Dear Friends,

We recognize this continues to be a challenging time for all of us. As we head into a new year, our FLSPCA family sincerely wishes you and all your loved ones (including your companion animals) good health, happiness and many blessings. We also wish to thank you for your phenomenal and inspiring support through this very difficult and demanding year. Moreover, we are asking for your continued generosity to help us provide urgently needed animal care and pet assistance services in the upcoming year.

FLSPCA is a mission-driven organization. We rescue, rehabilitate and rehome some of the neediest four-legged friends in our community. We provide outreach and pet assistance services for "at risk" animals and their families. Our daily assignments center around the pursuit of our purpose of protecting animals and supporting the special and mutually beneficial human-companion animal bond. We see the value of our work reflected in the innocent eyes of the animals we care for at our shelter and in their life transformations. We also are able to observe the profound impact of our work in the lives of our community members who are adopters, outreach clients and program participants.

During the best of times, the need for our animal protection work and demand for pet supportive services is enormous. The pandemic has further intensified these needs, while concurrently making our ability to fundraise more difficult. In 2020, the critical nature of our mission has never been more evident. And, it has never been clearer that maintaining our ability to help vulnerable animals and people during this especially hard time is just not possible without the kindness of people like you.

As we look back on this past year and despite having the added work of having to replace our usual event fundraising efforts and significantly adjust our overall operations to incorporate COVID-19 health precautions, and thanks to you we were able to continue to be there for animals who had nowhere else to turn. Additionally, we were able to offer more frequent feline spay/neuter clinics, continue to aid law enforcement in the rescue of animal cruelty victims (most notably mobilizing in July of this year to rescue 65 companion and hobby farm-type animals from a Campbell residence), and we provided more support than ever to "at risk" animals and their families. This included food pantry donations, transport assistance, gratis or very reduce cost spay/neuter, priority admission of animals, etc.

As we move into 2021, and as we continue our efforts to reduce pain and suffering and save and enrich lives, we are planning a year-round Project Catnip (our low-cost feline spay/neuter program for pet and tame community cats). Previously, the (Continued)

Happy New Year! (continued)

program typically operated March/April – October. Also, since you make this work possible (with your giving, by adopting and your overall support and advocacy of our organization) and in anticipation of a continuing increase in calls for our services, I wanted to be sure to share with you some of our most pressing needs.

1. Loving Homes for some very beautiful and vivacious FIV positive cats who have been waiting a long-time for someone to choose them. If you have room in your heart and home, please consider adopting Sam Adams, Whiskey, Merlot, Tatianna & Katerina.
2. Loving Homes for a senior and for a visually impaired equine pasture pet (Lakota, a mare in her late twenties, and (Kitten), a mare with limited vision) who have also been waiting a long time for placement.
3. Loving Homes with hobby farms for Sid, Romeo and Albert, Stella, Penny & Tilly (pot-bellied pigs).
4. Funds to purchase a reliable animal transport van (we can provide recognition on the van for your gift). Our old small SUV is no longer reliable or cost effective to operate, and our current primary reliance on volunteer transport personal vehicles limit response capabilities.
5. Returnable cans and bottles (continued donations) and drop off location(s) in the Hammondsport or other areas near Bath. Returnable cans and bottles are an easy way for donors to give and a significant source of revenue for our organization.
6. Financial gifts. Your generosity will help us continue to do this critical work and meet the daunting increase in need for the animals (and their struggling families) brought on by the pandemic.

Please, if you are able, consider helping us to address one of the above needs. You make the difficult and demanding work of speaking and caring for those who cannot speak for themselves possible. Again, we cannot thank you enough for your ongoing support!

Stay safe!!

Sincerely,

Vicki S. Mosgrove, Executive Director

PLANNED GIVING

Whether you have a million dollar estate or a more modest one, you need an estate plan. A good estate plan provides for your loved ones, minimizes tax liabilities and provides “Planned Gifts” of your assets to support your favorite charities. Many planned giving opportunities exist to suit almost any circumstance.

As you consider the final disposition of your assets, please remember all of your friends at the Finger Lakes SPCA.

VOLUNTEER SPOTLIGHT

Clayton Sperr

Clayton Sperr has been an essential and reliable member of our Volunteer Program for over two years. On average he works four days each week.

Clay graduated from Hammondsport High School, currently lives in Bath and has a son named Andrew.

After high school Clay engaged in a variety of jobs, all of which added to his present expertise in so many areas.

His jobs to date range from growing and harvesting grapes and working in the machine shop at Taylor Wineries, to participating in all aspects of the modular home construction business from basement, to roofing, and all the way up to the driveways and landscaping. He installed cable and fiber optic lines for television, internet, and telephone service; and worked as a Ground Man for Crane Towing delivering materials to job sites, operating numerous pieces of heavy equipment, including snow plows, back hoes, and skid steer loaders. Through all of these work/life experiences he has developed a good sense of business and site management.

Clay's roles at the shelter include Assistant Groundskeeper, Building and Grounds Maintenance, Equipment Repair, and procurement of supplies for the Equine Program and on site farm animals. He is essential to the success and smooth running of these operations.

In his spare time Clay enjoys biking, practicing his guitar, cooking, reading and listening to music. His spectator sport interests are auto racing and football.

We depend on Clay's talents and loyalty to the program and, in addition, his professionalism and decorum while working with us.

Our appreciation and thanks go out to Clay for his work ethic and years of service.

A HAPPY TAIL...

Joey (AKA Rocky)

We drove an hour and a half to meet Joey, we loved him. He wasn't ready to come home with us so we had to wait. After Joey was fixed and ready, we then took our other dog up to meet him. I like how this is done. It's important to make sure dogs will get along in the home so they are no issues. Each time we drove up, the staff were friendly and answered our questions. We are so happy we were able to adopt Joey, who's now called Rocky. Rocky's dog sister, Bella, loves having a playmate, and he loves playing with his human siblings too!! He is getting big and doing great. He's learning lots of new tricks. Lenny Frances

and click to make a donation through
Network for Good or PayPal!

Please keep donating your deposit cans and bottles. They are a significant source of income for our shelter. You may drop cans and bottles off any time at our New Shelter location (72 Cameron St. in Bath) or at Dave's Colonial Motors (7426 State Route 54 in Bath). We are also looking for additional drop off locations. If you are able to help, please call 607-622-5363. Monies raised from this fundraising activity directly support the care of our homeless animals.

A HAPPY TAIL...

Wren

My name is Meaghan Price, and I adopted Wren, now known as Genevieve. I wanted to share a couple of photos with you guys. I am so thankful for the FLSPCA for bringing us together. She's everything I could've asked for in a cat, and she has adjusted to her

new home perfectly! The whole family is absolutely head over heels in love with her. She's a very cuddly girl, and she has even learned how to fetch! Thank you guys so much for your help, I love her so much already!

A HAPPY TAIL...

Owen (aka Max)

We thought you'd like an update on how Owen (now known as Max) is doing. He is such an awesome boy! He is such a love bug. We love how if he is excited when he sits, he can't keep his front feet still. It's earned him the nickname Prancy Paws J.

He and Winnie are pretty much inseparable. From morning until night, they are side by side. They are so good for each other. He is getting along great with the kitties in his house, and he is fascinated by the bunny. He is doing good with walking on a leash and goes for several walks a day. He loves to go for rides, and last week, he took his first trip to a pet friendly store. He did so well. He is so smart! He picks things up quickly, and he listens really well. We laugh that he listens better than Winnie does! His favorite part of the day is when we settle down to watch TV at night. He loves to snuggle on the couch and is absolutely convinced he is a lap dog. He has been such a great addition to our family, and we love him so much. We firmly believe that all the time, love and attention he received while he was with you, is why he is such a good boy and has settled in so well. Thank you for not giving up on this sweetheart. We are so lucky to have not one, but two of the best babies ever. The Stevens Family

KATIE'S CORNER

Lorraine & Gerhard König

IN LOVING MEMORY OF:

Lorraine Loomis-König

**KATIE'S FUND FOUNDER
& FLSPCA VOLUNTEER**

Mar. 19, 1956 - Sept. 13, 2015

Gerhard König

**KATIE'S FUND BENEFACTOR
& FLSPCA VOLUNTEER**

June 28, 1940 - Nov. 25, 2016

Katie's Fund

Since the start of this critical fund, and because of ongoing donations in support of it, approximately \$40,000 in medical care and other services have been provided to special needs animals. As a result, more lives of significantly injured and ill animals have been saved, and overall adoptability for these animals increased, thereby reducing the length of stay at our shelter for them.

PLEASE GIVE TO HELP A CAT OR DOG WITH SPECIAL NEEDS!

Please mail your check to:
Finger Lakes SPCA

72 Cameron St., Bath, NY 14810

Or make a gift online at fingerlakesspca.org

Click on the Network For Good

or PayPal icon

Be sure to designate for Katie's Fund

MULLIGAN RECEIVED LIFESAVING CARE THANKS TO KATIE'S FUND!

In late summer, staff discovered a defenseless neonatal kitten in need of urgent care who was left outside on the front lawn of our shelter in a box. A note in the box read his mother had died and there were no resources to provide for his care. He was just 3-4 weeks old, helpless, hungry, dirty, loaded with parasites (fleas, worms, ear mites and coccidia) and suffering from life-threatening diarrhea. As a fragile infant, and even with immediate medical and supportive care, the deck was stacked against this baby boy pulling through. But, a determined Mulligan beat the odds! Thanks to the generous support of Katie's Fund donors, we were able to provide this little survivor with ongoing medical exams and treatment. He received a human foster mama, special food, fecal exam, dewormer, flea control, FeLV and FIV testing, antibiotics, fluids, B-12 injections, vaccines and lots of warmth. Today, Mulligan is healthy, happy and loving life. He is a spirited little fireball who explores and plays non-stop. And, it appears he is staying on with his foster family who became quite attached.

THANK YOU

2020 Play Fore Paws Golf Tournament Sponsors

Thank you to all who supported our 2020 Play Fore Paws.
Over \$9,000 was raised to help our homeless animals! Special thanks to all sponsors!!

Package Includes:

Spay/Neuter Surgery, Up-to-Date Vaccines, Treatment for Internal & External Parasites, Microchip,
Free Physical at a Participating Veterinarian, Free Grooming at a Participating Salon and Viral Testing for Cats

*Standard adoption policies apply

A HAPPY TAIL...

Tommy (AKA Theo)

Today I realized that I never sent an update from Tommy's 2nd birthday! Now his name is Theo. I've had him for 1.5 years, and we are now living in Buffalo. He loves looking out the window, playing with banana or grey mouse and eating treats. He remembers you all fondly, and I remind him of you whenever we see a SPCA commercial on TV. Here are some recent pictures. Sarah Kucharski

A HAPPY TAIL...

Bailey

Bailey is fitting in so well and enjoying herself! We love her - thank you! She has been such a joy. She's loving the lake life too. Molly Harrington-Andrus

A HAPPY TAIL...

Harvey & Dutch

I thought I would share some pictures of how Harvey is settling! He ended up wanting to be with Jaxson (originally Dutch who I adopted months ago from FLSPCA) and jumped the gate! Haven't been able to keep them apart since. Elizabeth Morris

A HAPPY TAIL...

Mia & Terri

Hi! I wanted to share some pictures of Terri and Mia. We adopted them about 5 months ago and they've come a long way out of their shells. Mia is a barker, but usually calmer and absolutely loves hugs. Terri, surprisingly, is the crazier one, although she's quieter. They both like to bully Rocky (the black and white dog). They spend most of their time running around the backyard. They seem very happy!

Who Do The Animals Depend On? You!

Michael Hopkins, Treasurer

The most important fact about the income received to support the mission of the Finger Lakes SPCA is that 83% of what we need comes from individuals like you. Only with your contributions are we able to give high quality service to the animals in our care and to assist in rescue and rehabilitation efforts.

The little money we get from government includes a handful of contracts with towns to handle dogs seized by their dog control officers and reimbursement from county government for a portion of our participation with law enforcement in animal-related criminal cases. We get no money from the ASPCA. We do not have income from endowment funds. We get a relatively small amount from businesses and non-profit groups, half of which is as sponsors of our fundraising events. Our programs generate important income. This includes our dog training classes, catnip program, as well as money from adoptions. If you take into consideration that those program fees all come from individuals, then our dependency on you rises to 92%!

Exactly how much does it cost to run our shelter and its related programs? The answer is a little over \$1,000 a day. Of that amount, the average spent on direct service to animals is 92.9%, based on the average of our last three audits (2016-2018). That is an excellent ratio of cost of Program Services to Management & General Costs based on any standard.

So thank you for your contributions be they responses to our direct appeals, memorial contributions, the cans and bottles you bring to the shelter, or your participation in our fundraising activities. Keep remembering our animals - they have no voice but yours!
