## Volunteer Application

The Finger Lakes SPCA is a not-for-profit charitable organization funded primarily through donations. Our mission is the prevention of cruelty to animals, the care of animals in need of new homes, and the education of current and potential pet owners about responsible ownership. We welcome the participation of those willing to represent our organization and work with us in accordance with our mission. Thank you for your interest!

Please fill out this form to the best of your ability. Being a volunteer is a serious commitment, and we know you will appreciate that we must screen applicants and require a thorough orientation. Filling out a form does not mean you will automatically become a volunteer, but we will do everything possible to find a way for you to be part of our team. We ask for your patience in the process, as this is just one of the many tasks that present themselves on a daily basis.
